

## Africa for Kids: Exploring a Vibrant Continent, 19 Activities (For Kids series)

Africa is brought to life in this imaginative look at the plants, animals, and people that make it such a fascinating continent. Studies of both traditional tribes and modern African cities showcase Africa's diversity, and authentic activities allow kids to dive into the rich culture by making a Maasai bivouac shelter, writing a fable in the African style, working as a field biologist, making a ritual elephant mask, and learning to tie an African Kanga dress. This cross-cultural study also shows kids what challenges Africa faces today while giving them a look at what it is like to live on this interesting continent.
