

## Anthony Ants Treasure Hunt

Illustrated in full color. The amusing and amazing Anthony Ant swings back into action in this tantalizing tale of lost jewels and hidden treasure. After Anthony finds a treasure map under his bedroom floor, he embarks on an exciting journey to find Queen Ants long-lost cache of jewels. The treasure map leads the reader through a maze, with each page containing clues. Lift the flaps to find the whereabouts of a diamond bracelet, a ruby ring, an emerald necklace, a sapphire brooch, and a golden crown. Over thirty-five intricately die-cut flaps to lift and a 4-page fold-out maze/treasure map make this hefty hardcover an irresistible treasure trove for puzzle fiends, bug boosters, and fans of interactive books.
