

# Dominance 101: An Introductory Guide to Asserting Control

If you're ready to explore Dominance, or your partner has indicated that they'd like to submit to your lead, then we'd like you to meet our brand new eBook *Dominance 101: An Introductory Guide to Asserting Control* by Rev. This new eBook is all about helping beginning Dominants who are in their first weeks of exploring Dominance in a D/s relationship to get started on the right foot. Dominants starting out quickly discover that there's a lot more to Dominance than just ordering someone around and kinky sex. Your first submissive is just the beginning and you're then faced with all the nuances to power exchange relationships, working on how to develop your Dominant style and learning safety and confidence in your role and the play you want to engage in. This eBook is jam-packed with practical advice and information to help you take those first steps in the right direction. Not only will you learn who you are but you'll discover that there are many avenues of support and education to help you along the way. What you'll find: How to identify yourself with roles and titles that feel just right. Finding partners and negotiating relationships and play. Meeting people in the community and getting yourself out there. How to communicate and remain in control. So much more!
