

Cats (Eyewitness Handbooks)

These Eyewitness Handbooks are pocket-sized reference books. This particular guide looks at the world of cats, with distinguishing features highlighted to aid the recognition of individual species of cats. For easier reference, at-a-glance information panels, illustrations and photographs are provided for each entry. Text provides information on key characteristics of each family or group of cats. Master charts, maps, fact boxes and colour-coded panels make correct identification foolproof. Each individual specimen is annotated and captioned. By the author of Cat and Kitten Care and The Complete Book of the Dog. Other books in the series are Rocks & Minerals, Shells, Butterflies & Moths.
