

# Detective Dustin and the Mystery of Mayhem Swamp

Dustin, Bailey and Josh find out about a man who has been missing for over seventy years! The three friends decide to find out what really happened to him, and embark on an adventure that leads them deep into Mayhem Swamp. There's danger too: Is the swamp haunted? Are there criminals guarding a treasure? Their investigation takes them from their fort down an Old Grade, to an old abandoned homestead deep in the swamp, and, finally, to an amazing find!
