

Early to Bed and Early to Rise: Twenty Years in Hell With the Beef Trust, Facts, Not Fiction (Classic Reprint)

Excerpt from Early to Bed and Early to Rise: Twenty Years in Hell With the Beef Trust, Facts, Not Fiction While Mr. Shiel is familiarly known to all live stock producers and all live stock buyers, his name is not so well known to all the people, and not knowing him they may be led to doubt some of the startling facts he now gives to the public, especially those in relation to the despotism of the Beef Trust. Hence, it is proper to say that Mr. Shiel has spent more than three hundred thousand dollars in fighting this gigantic oppressor, a fight he carried on for more than twenty years.
