

## A Primary Source Guide to China

Readers get a vivid introduction to the Peoples Republic of China with this compelling volume on the country with the largest population in the world. More than one-fifth of humankind lives in this largest of the Asian countries. Readers will explore the diverse history of China, as well as the countrys Communist government. The traditions of China, a nation that is home to more than 50 unique ethnic groups, are introduced with stunning, primary-source detail--from dragon dances to the decorative art of calligraphy.
