

From Beer To Beards: Boston Baseballs 2011-2013 Roller Coaster Ride

The book takes you, game by game, from 2011 to 2013, the most exciting period in Red Sox history, providing information and insight regarding the events surrounding the teams journey from Worst to First. Follow the Red Sox on the roller coaster ride that began with the team at or near the top of the Division for most of the 2011 season before crashing and burning in September, went through the debacle that was the 2012 season, and ended with an unlikely mix of a few veterans and young players and some older retreats donning beards and claiming the World Series Championship under new Manager John Farrell.
