

Little Blue Truck

Neigh! said a horse. Quack! said a duck. Beep! said the friendly Little Blue Truck. Little Blue Truck is a joyful cacophony of animal and truck sounds that will have youngsters beeping and quacking and begging for one more go-round! Along the way, readers see that it pays to be kind to our animal friends . . . if we show a friendly respect to others, we're more likely to get help when we're, say, stuck in the muck in a truck. Jill McElmurry's gouache illustrations of wild-eyed farm animals and country roads are warm and wonderful, suiting the cheerfully rhyming text to a T. Beep!
