

Meet the Gorilla: A 15-Minute Book for Early Readers (Meet the Animals 27)

This book is a shortened version of our popular Gorillas: Men of the African Forest and is intended for beginning readers. With only 1107 easy to read words, young children can experience for themselves the joy of learning about the gorilla. They will find out the answers to these questions: Do gorillas walk around on their back legs? How long are a gorilla's teeth? Where does a male gorilla sleep? How many kinds of gorillas are there? Can gorillas swim? And many more! LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Our 15-Minute Books give children lots of fun, exciting choices to read, from classic stories, to mysteries, to books of knowledge. Many books are appropriate for hi-lo readers. Open the world of reading to a child by having them read for 15 minutes a day.
