

## Mr. Bear's Animal Parade

Little Bear is sad when his father has to leave for work each day to deliver the mail around the forest. Mr. Bear promises he'll return with something special for his cub. But what can a mailman like him bring back? Along the way Mr. Bear finds some old train cars, and with an increasing amount of company along the way he hatches an idea that will make this the most special day Little Bear has ever known. Here is a wonderfully joyful picture book, illustrated with adorable art by Keiko Kaichi, that shows how the best of all presents is our presence. This heart-warming story will resonate with young and old alike.
