

Ka, a Strange Canary

What wouldve happened if he was not there? This is the story of Ka, a special canary who is being bullied in school. Fortunately, he has a sweet friend named Blub, the frog that makes him happy. But one day, something happened between Ka and Blub which left Ka distraught. He then leaves and walks away far, far away from everything and everyone. Until something happened, a moment that will change everything in Kas life very dramatically... Ilja van der Meijden (1973) was born and raised in Delft. She works closely with teaching/coaching children and adults. For children, she specializes in coaching/teaching them about the theme of bullying. Her book Candle Strange Canary debuted in 2014. She hopes that children who are dealing with bullying can draw strength from her story.
