

Ready for Romance: Hot Lips, Full Throttle, and 97 More Ways to Keep Love Alive

For couples to grow closer and enjoy themselves while learning about each other, this guide offers 99 imaginative new ways to demonstrate love. Leslie and Jimmy Caplans cookbook for love gathers their romantic recipes into categories like Zensational (simple yet successful romance), A Breath of Fresh Air (outdoor romantic activities that wont get you arrested), and Naughty n Nice (no explanation needed). Each recipe lists ingredients such as artful brainstorming or two pounds foolishness. Stories about how these recipes unfolded in Leslie and Jimmys own life (or in someone elses) add an extra element of fun to the book, and sample servings even include some celebrity stories.
