

Liar & Spy

The instant New York Times bestseller from the author of the Newbery Medal book *When You Reach Me*: a story about spies, games, and friendship. Seventh grader Georges moves into a Brooklyn apartment building and meets Safer, a twelve-year-old self-appointed spy. Georges becomes Safer's first recruit. His assignment? Tracking the mysterious Mr. X, who lives in the apartment upstairs. But as Safer becomes more demanding, Georges starts to wonder: what is a lie, and what is a game? How far is too far to go for your only friend? Like the dazzling *When You Reach Me*, *Liar & Spy* will keep readers guessing until the end.
