

## The 20th Century Phillies by the Numbers: You Cant Tell the Players Without a Scorecard

Four years of labor-intensive research produced Teds 8th book. This 300+ page tome pays homage to Philadelphias oft-maligned, but always loved - Phillies. In 1915 the Phils won their first NL pennant (and they didnt win many more). This book commemorates the 100th anniversary of that magnificent fete. In here youll find stuff you never suspected about guys who never knew even wore a Phillies uniform - but also plenty of info about the beloved stars of the past - Ashburn, Ennis, Roberts, Klein, Schmidt, Carlton, the Tugger and many more. Learn, enjoy and, yes, laugh at Taylors insights (some in the persona of his alter ego, The Glenside Kid) and share his experiences and observations about the 20th Century Phils. A team he knows very well. Buy a scorecard, get a hot dog and an orange drink and dig in, the fun is just beginning. Play Ball!! ...for the past 35 years or so, Taylor has been as important a name in Philadelphia baseball as Larry Shenk, Bill Giles, Whitey Ashburn, Harry Kalas, Ruly Carpenter, Allen Lewis, Jayson Stark or anyone else you care to list who hasnt officially worn a uniform...Ted Taylor has been involved in Philly area baseball in just about every way possible, and that includes as a college infielder, and prior to that, on the sandlots of Cheltenham Township, where hed sometimes let a young kid named R. Jackson into the game... - Baseball Author & Historian, John Shiffert
